

ABC Dry Powder Fire Extinguisher

Overview

The ABC Fire Extinguisher is a powerful fire safety tool for your home or workplace. It can put out Class A, B, and C fires in just 16.33 seconds.

The strong hose makes it easy to aim, and the nitrogen gas inside keeps the pressure steady for reliable use. It is also safe to use on electrical equipment up to 1000V.

Its tough design includes a UV-resistant coating, making it long-lasting even outdoors. This extinguisher meets EN 3-7 standards and is approved by BSTI and CE. It is made in Bangladesh.

Features

- ✓ BSTI approved BFSCD Approved
- ✓ BUET, RUET, CUET, KUET Tested
- ✓ Manufactured to BS EN3
- ✓ Polythene internal lining
- ✓ Corrosion resistant finish
- ✓ Full range of spare parts available
- ✓ Hose assembly
- ✓ Fixing bracket included
